

Tree Branch Entertainment – Promotions & Event Information

Our Process

Tree Branch Entertainment is dedicated to making event promotion simple and effective for our partners. We handle the heavy lifting so you can focus on what you do best — providing great service and a memorable experience for your guests.

Here's how we work with you step by step:

Initial Planning

We collect event details from you:

- Date and Time
- Address & Venue Name
- Drink Specials & Food Features
- Event Theme
- Any additional promotions, giveaways, or highlights you'd like featured.

Promotional Draft

Our creative team designs a rough draft of the promotional materials (flyers, social media posts, and ticketing pages). We send the draft to you for review and feedback. You confirm or request edits so the final product matches your vision.

Promotion & Marketing

Once approved, we launch a full-scale promotional campaign across:

- Website & Ticketing Platforms
- Social Media Channels
- Email Marketing Lists
- Partner & Influencer Networks

Our team provides coordination to ensure smooth operations, with signed and contracted staff including DJs, bartenders, waitstaff, and licensed security. We work with your venue staff to keep traffic steady and maximize sales.
