

Bar Crawl and General Event Partnership Package Presented by Tree Branch Entertainment

Overview

Tree Branch Entertainment specializes in creating high-energy, well-organized events that drive new customers, increase revenue, and build long-term exposure for participating venues. Our model is simple: we sell tickets to attendees, handle marketing, and deliver a crowd directly to your venue.

How It Works

Ticket Sales & Marketing

Tree Branch Entertainment manages all ticketing, promotion, and marketing campaigns. We leverage our website, social media, and partner networks to maximize attendance.

Attendee Experience

Guests purchase tickets that include access to all participating venues. Each venue features exclusive drink specials, entertainment, or themed activities. We coordinate scheduling to ensure steady traffic flow from one location to the next.

Venue Role

Potentially provide drink specials or featured menu items. Support promotion by sharing event details with your own audience. Enjoy increased traffic, higher sales, and new customer exposure.

Professional Support

Potentially provide contracted DJs for entertainment & music programming. Potentially provide licensed bartenders and waitstaff for seamless service with licensed security for crowd management and safety.

Benefits to Your Venue

Increased Revenue: Guaranteed foot traffic during off-peak times or slower nights.

New Customers: Exposure to hundreds of attendees, many of whom may be first-time visitors.

Promotional Support: Inclusion in all Tree Branch Entertainment marketing efforts.

Easy Partnership: We handle logistics, ticketing, and event coordination.
